Highlights

- We are proud of our **90.2%** result in the Welcoming, Caring, Safe, Respectful Learning Environment measure. Staff continued to provide environments where students felt safe, and learning is the priority.
- We continued to focus on providing inclusive learning opportunities supporting student success which led to **93.5%** satisfaction with Education Quality.
- Our diverse learning environments required that we had available supports to meet all of the needs. **92.8%** of students indicated that they knew how to access supports and services to help them with their learning and social-emotional needs.

Faith Survey Results

93% Percentage of students believe our school encourages them to learn more about faith.

96% Percentage of students agree that we all need to play a part in helping our world be a better place for everyone.

98% Percentage of parents believe they can see evidence of their child learning about the Catholic faith in school.

95% Percentage of parents believe our school encourages students to learn about the church's mission to help the common good and students' personal responsibility to actively participate in society - through services to others.

Targeted Areas

- Our Grade 6 teachers are focusing on the new Alberta Education Curriculum for both mathematics and english - literature.
- We continue to permeate our faith in all learning experiences as we strive to demonstrate God is in all things.
- Through our focus on high yielding instructional practices, our staff strive to engage all learners.
- With our 4 Pillars of Be Joyful, Be Humble, Be Loving and Be Forgiving, students will focus on living their faith through action and strive to be like our Patron Saint St. Francis of Assisi, through works of service and social justice.

Future Priorities

- ✓ **Faith Priority:** Promote encounters with Christ that will inspire students and staff to continue to build on the foundational knowledge of faith in our school and impact our community
- ✓ **Student Learning Priority:** Create and maintain optimal student learning experiences by selecting and using the most effective instructional and assessment practices and resources to support student engagement.
